ADMINISTRATOR'S REPORT May 2006

Subarea Health Planning Councils (SACs) Activities

- Hawai'i** Roy Takemoto, Special Assistant to the Mayor, discussed the county planning process and the development of community plans. The SAC began discussing the H2P2 update process for Hawaii County.
- Honolulu** No April meeting.
- Kauai** Members visited the Samuel Mahelona Veterans Hospital's emergency service facility which is being renovated and due to open in mid-May. Mahelona and AMR-Kauai are working on ambulance protocols. The service will have 24/7 emergency MDs. Limited emergency services began about a month ago and 450 patients have already been seen. Members reviewed their "strongly support" testimony on the booster seat bill which did pass the House Judiciary committee and other health related bills and resolutions which are making progress in the Legislature.
- Tri-Isle** Alice Lee, Director of Maui County Department of Housing and Human Concerns, made a presentation to the SAC as they continue to gather information on affordable housing and workforce housing initiatives underway or being considered on Maui.

West Oahu SAC & Windward Oahu SAC

The Windward and West Oahu SACs participated in the CHAT (Choosing Healthplans All together) Simulation to make choices among different types and levels of health coverage to design a benefit plan that meets the needs of most of the people in Hawaii.
